Subject: JIC ACTION: DENVER POST: DEADLINE ASAP

Request from Bruce Finley, Denver Post, for information on claims and liability.

1. How many claims for damages received so far?

2. What has EPA done so far to pay for damages?

3. Can I say [EPA] assumes full liability?

Note from Bruce: Just need quick short answers. Facing questions on whether EPA immune from prosecution - want to be able to answer correctly.

I don't have the answers to your questions on claims so am elevating to our Joint Information Center in Durango. What is your deadline?

Regarding whether you can state EPA assumes full responsibility, below are links to the transcripts from the Administrator's press conferences. I think they should answer that question but, if not, please let me know and I'll also elevate this question to the JIC.
